

Security Policy

Logista Pharma is the division of the All-Round Distribution Company LOGISTA, S.A. dedicated to providing logistics services adapted to the pharmaceutical sector.

Logista Pharma's wish is to achieve and make clear its control and action for those aspects of SECURITY for which it is responsible, as well as for those over which it may have an influence.

For this reason, Logista Pharma has established the current declaration of principles and commitments with regard to its action in the area of SECURITY.

Logista Pharma makes the following Declaration of Security Principles and makes a commitment to:

- Adopt adequate measures in order to protect the life and health of workers against antisocial acts.
- Adopt adequate measures in order to protect material assets and IT systems against antisocial acts.
- Have systems at its disposal that guarantee the continuity of logistic and production activity.
- Comply with legislation, rules, norms and other regulations relating to PRIVATE SECURITY.
- Plan and develop actions which assume that a company Security Plan will be implemented.
- Announce, enact and defend the Security Policy.

Logista Pharma states its managerial commitment to Security matters:

- Visibly and recognisably support the Security Policy.
- Establish managerial responsibilities for Private Security matters.
- Support the Security Management System.
- Assign a financial budget for Security operations.
- A commitment to training and professional development for its employees on security matters

Logista Pharma states its commitment to the active participation of management in security matters:

- Take the initiative on actions undertaken in the Security field.
- Manage and demand that Security regulations are met with by all personnel it is in charge of.
- Actively participate in investigating incidents and following up on recommendations.
- Assure patterns of behaviour that guarantee Continuous Improvement in the Security performance..

Logista Pharma is committed to announcing, enacting and disseminating the Security Policy and Objectives in such a way that they are understood and kept up to date at every level of the company.

Logista Pharma makes this Security Policy available to all the interested parties required, and is committed to informing, training and sensitising all of its personnel in order to guarantee that the principles therein are complied with.
